Extra Services

Tax Enquiry Cover

£9.99 per month + VAT

Unfortunately you can not completely rule out a tax enquiry so for a peace of mind, why not add this service to your package so that should unexpected happen the accountancy fees are covered by this add-on service. This essentially acts as an insurance cover providing you a safety net.

Mail Forwarding

£4.99 per month + VAT

Having your personal or home address as the registered office address for your business is not ideal and often limits brand value of your business.

Why not speak to a member of our staff about using our office address as your registered address.

Excel Automation

Project Specific Fees

If you or your business regularly use Microsoft Excel then it is very likely that we could automate certain tasks and workflows (e.g. invoice generation) so that they can be performed automatically by Excel.

Take advantage of our free consultation and you could save a significant amount of time and effort. Remember time is money.

CFO

Starting price from £99.99 per month + VAT

In a growing or start-up business, affording a full time financial director is virtually impossible. However having someone with this skill set on hand on a 'need' basis is not so.

We offer financial director or chief financial officer service for specific projects or flexible basis to support your key financial and commercial decisions.
